6th Annual Conference of the Coalition for Global Hearing Health, Gallaudet Unversity, October 8-10, 2015

Platinum Sponsor

	Friday, 9 Oct 2015		
7:30	Registration & Coffee		
8:00	Welcome (Elstad Auditorium)	James Saunders & Jackie Clark	
8:30	Technology (Elstad Auditorium)		
1927	Clinical validity of hearScreen? smartphone hearing screening for school children	Faheema Mahomed-Asmail, De Wet Swanepoel , Robert Eikelboom, Herman Myburgh, James W Hall	
2034	Enabling Us to Experience Equal Access via Technology	Karunya Samuel, Michaela Hanley	
1998	Mobile Tablet Audiometry - Building a low cost school screening program	Matthew Bromwich	
1932	SMARTPHONE-BASED HEARING SCREENING AS PART OF COMMUNITY-ORIENTATED PRIMARY CARE	Shouneez Yousuf Hussein, De Wet Swanepoel, Herman Myburgh, Robert Eikelboom, Jannie Hugo, Leigh Biagio de Jager	
1822	Social Business as vehicle to democratize access to hearing aids	Howard Weinstein	
	Discussion		
9:45	Technology (Elstad Auditorium)		
1992	Understanding and Living with a Cochlear Implant: A Psychotherapeutic Approach	Magteld Smith	
0:00	VALIDATION OF SMART PHONE APPS AS AN ENVIRONMENTAL NOI:	Titus Ibekwe, Enoch Dahilo, David Folorunsho, Ibeneche Gbujie, Maxwell Nwegbu, Onyekwere Nwaorgu	
1961	Evaluation of uHear iPhone app for Hearing Screening	Shazia Peer, Johannes Fagan	
2024	Tele-audiology in Africa: The Story Evolves	Shannon Kruyt	
1943	APPLYING PUBLIC HEALTH STRATEGIES TO REDUCE THE BURDEN OF HEARING LOSS.	Daksha Patel, Andrew Smith, Joanna Anderson	
	Discussion		
11:00	BREAK - 15 minutes		
11:15	Advocacy (Elstad Auditorium)		
1999	A Global Perspective at Ensuring Hearing Health Accountability	Tawny Holmes, Howard Rosenblum	
1973	Assessment of Status of Ear & Hearing Care in South East Asia Region	Dr Suneela Garg, Deeksha Khurana, Dr Tanu Anand, Dr Ritesh Singh, Dr Arun Agarwal	
1988	Assessing and Meeting the Needs of the People in Arima, Trinidad	Crystal Wiggins	
1964	The global status of newborn and infant hearing screening	Katrin Neumann	
1838	Hexagenarians Up! Aural Rehabilitation of Elderly Khmers with Disabling Deafness	Jean Johnson, Glyn Vaughan	
	Discussion		

PRE-CONFERENCE Instructional Sessions Thursday October 8th			
9:00 -12:00	Operating a Field-based Earmold Lab	David Pither	SAC:Flex A
9:00-12:00	Family Support & Empowerment for Children Who are Deaf or Hard of Hearing: Considerations within Humanitarian Efforts	Lisa Kovacs, Janet DesGeorges and Sheila Moodie	SAC: Flex B
13:00-16:00	Practical Guide to Humanitarian Missions for Improving Hearing Health	Jim Smith and Debra Fried	SAC: Flex A
13:00-16:00	How Emerging Findings In Neuroscience Apply to Early Intervention Practices: Addressing Brain Development and Early Visual Language in Infants, Toddlers and Young Children	Melissa Herzig,	SAC: Flex B
9:00-16:00	Introduction to Public Health Planning for Hearing Impairment	Andrew Smith and Daksha Pate	SAC: Room TBA
9:00-16:00	Tour of River School and Georgetown University Audiology		Off-site

12:30	LUNCH		LUNCH			
1:45	Advocacy (Andrew Foster Auditorium)	Parallel Sessions		ns	Advocacy (SAC Auditorium)	
2009	Services for the hearing impaired in Peru	Irene Garcia-Benavides		1968	Challenges and Considerations fro Supporting Deaf Education in Nicaragua	Mark Falk
1825	The societal and economic impact of treated hearing loss is ? good!	Soren Hougaard		1953	Do HIV and Highly Active Anti-retroviral Therapy affect the hearing function: a prospective case-control study among HIV-infected and - uninfected Cameroonians.	Jean Valentin Fokouo
1997	UN CRPD and the Post-2015 Sustainable Development Goals: A Fifteen-Year Global Action Plan and Advocacy for LMICs? Hearing Systems Development	Evelyn Cherow			Self-reported etiologies of hearing loss in patients turning up to receive hearing aids during an audio-otology camp in Rwanda	Kaitesi Mukara
1972	Utilizing 5 Hearing & Communication Centers in East Java Province	Nyilo Purnami			Increasing access to hearing implants to further enhance educational opportunities to people in low-resource settings	Patrick D'Haese
	Cochlear Implantation and Deaf Education in Sub-Saharan Africa: A Cost Effectiveness Study	Susan Emmett		2027	Education Starts at Birth: Hearing Health and Inclusion	Josh Josa, Tawny Holmes
	Discussion		-		Discussion	

3:00	Empowering Families/Communities (A	ndrew Foster Auditorium)	
1928	Gallaudet Panel Discussion: Lessons Learned from International Deaf College Students	Beth Benedict	
1982	Counteracting Stigma: Social Identity, Culture, and Hearing Health	Susan Shepherd, Pauline Njogu-Marinus	
	BREAK - 15 minu	tes	
1858	Empowering families through culturally sensitive, parent-centered		
1000	education	Kelleigh Bland, Johanna Lynch	
1818	Essential Program to Coach and Educate Parents of Deaf and Hard of Hearing Children	Joanne Travers	
1862	The Månha Project: Resilient Enabling Community-based Initiatives	Heather Zimmerman	
	Discussion		
4:15	Empowering Families/Communitie		
2017	Empowering Parent Leaders in Yinchuan, China	Candace Lindow-Davies, Christine Yoshinaga Itano	
1947	Parents as Partners	Lisa Kovacs	
1950	Setting Language in Motion: An Online Resource for Early Intervention	Debra Nussbaum, Mary Ann Kinsella-Meier	
2001	The age at presentation of deafness and the need for a national	Akeem Lasisi	
	programme on hearing screening		
	Hearing Loss Prevention Program in DR Congo Discussion	A.N. Kalombo	
6:00	POSTERS & RECEPTION (Kellogs	z Conference Hall)	
0.00			
7:15	A Global Connection Gala: Making Hearing	g Health a Priority Keynot	
7120	A Global Connection Gala: Making Hearing Health a Priority Keyno Shelly Chadha - World Health Organization (10 minutes)

Discussion			

POSTERS & RECEPTION (Friday, 6:00 p.m.), SAC Exhibit Hall		
	Technology in low resource countries	Silvio Penteado
1957	Hearing Screening in Neurodevelopmental Research:Botswana	Betsy Kammerer, Charlotte Mullen, Gloria Mayondi, Jean Leidner, Modiegi Diseko, Maureen Sakoi, Juliana Manganella, Gbolahan Ajibola, Derek Stiles, Shahin Lockman
1971	Prevalence of External and Middle Ear Pathologies among Students with Hearing Impairment in School Settings	Chinthika Perera, Asela Chandrasekara, Bandini Jayasena
1847	Hearing loss in children attending Assiut University Hospital in Upper Egypt during 2014; it is a problem deserves our concern revealence of nearing ioss among primary school children in Mibarara,	Hossam Mostafa
2028	Prevalence of nearing loss among primary school children in Moarara,	Irving Basanez, Susan Stangl
1958	The International Humanitarian Hearing Aid Purchasing Program (IHHAPP)	Ronald Brouillette, Debra Fried, Anita Stein-Meyers
1990	Evaluation of over-the-counter hearing devices	Sara Mamo, Nicholas Reed, Frank Lin
1861	Pathways to Resilience: Perspectives from the Guamanian Sign Language Community	Heather Zimmerman
1940	Learning to Look and Looking to Learn	Heather Zimmerman, Julie Tibbitt, Ju-Lee Wolsey, Mary Diane Clark, Cara Keith
2014	Impact of cost-effectiveness analyses of bilateral cochlear implantation on health policies	Francisco Javier Díez
2006	A Model for Training Audiology-Proficiency Personnel	Giri Sundar, Victor Bray
1931	Counseling adults with hearing aids: Practice and perceptions of Audiologists in South Africa	Husmita Ratanjee, Dr. Neethie (Lavanithum) Joseph
1954	Our experience of the management of patients with enlarged vestibular aqueduct. A case series with literature review.	Jean Valentin Fokouo
2007	Massachusetts Family Sign Language Program: A Model for Effective Family- Centered Sign Language Instruction	Kathleen Vesey- GU Director of Regional
1910	American Speech-Language-Hearing Association (ASHA)/ Pan American Health Organization (PAHO) Collaboration: Addressing Country Priorities in Capacity Building in Central and South America	Silvia Martinez, Linda Rosa-Lugo, Gloria Weddington, Lily Waterston
1974	HEARS: A Community-Delivered, Affordable, Accessible Hearing Care_ Intervention for Older Adults	Carrie Nieman, Frank Lin, Sara Mamo, Nicole Marrone, Sarah Szanton, Elizabeth Tanner
	Increasing access to hearing implants to further enhance educational opportunities to people in low-resource settings	Patrick D'Haese

11:00	BREAK-15 minutes		
11:15	Training & Education (Elstad Auditorium)		
2015	Satisfied? Sustaining Community-based Hearing Health Care	Ronald Brouillette	
1951	Students With Cochlear Implants: Guidelines for Educational	Mary Ann Kinsella-Meier, Debra Nussbaum	
1951	Program Planning	Mary Ann Kinsella-Meler, Debra Nussbaum	
	Global Standard Practice (Els	tad Auditorium)	
1027	The Hear the World Foundation, external donors and audiology	John Bamford, Elena Torresani	
1937	service development: Lessons from Malawi	John Bannord, Elena Torresani	
2000	Relations of Hard of Hearing persons and hearing health	Avi Blau	
	professionals in light of the new hearing technologies		
1967	The UN CRPD and Deaf People	Joseph Murray	
	Discussion		
12:15	Global Standard Practice (Els	tad Auditorium)	
2023	Doing What Works - The Evolution of Project EAR in the	Edward Dodson	
	Dominican Republic		
1993	Instant Earmolds Options - A Review of the Old and New	King Chung, Danica Billingsly	
1952	Why is more evidence needed globally on the burden of hearing loss and how can we get it?	Joanna Anderson, Andrew Smith, Daksha Pa	
2057	All deaf children should be taught a sign language.	Donna Napoli, Poorna Kushalnagar, Gaurav	
2057	All deal children should be taught a sign language.	Mathur, Scott Smith	
	Discussion		
1:15	LUNCH		
2:15	Global Standard Practice (Els	tad Auditorium)	
1942	Cargo Culture & Audiology in the 21st Century	David Pither	
1835	Challenges to Identifying Newborn Hearing Loss on Remote and	Jean Johnson, Agnes Flood-Tse	
	Rural Islands	Jean Johnson, Agnes Hood-Tse	
1843	Closing the Gap when working With Spanish Speaking Families	lucia Quinonez, Wanda Pendergrass	
	Considerations in Facilitating Development of Signed and Spoken	Christi Batamula, Bobbie Jo Kite, Julie	
1938	Language With Young Children Who Are Deaf or Hard of Hearing	Mitchiner, Debra Nussbaum	
1816	Intellectual Disabilities and Hearing Loss: The Forgotten Many	Gilbert Herer	
	Identified by a Public Health Model of Hearing Health Services Break Break		
3:15	Global Standard Practice (Els	tad Auditorium)	
	Thinking locally and globally. Fresh perspectives on applying three		
	decades of research into epidemiology into permanent childhood	Adrain Davis & Katrina Davis	
1004	hearing loss.	Dave False	
1984	Designing a Model Program to Maximize Impact for Global Hearing	Dave Fabry	
1980	The ask and the task of hearing parents of children who are deaf	Neethie (Lavanithum) Joseph	
	learning Sign Language Why is more evidence needed globally on the burden of hearing		
2020	loss and how can we get it?	Diego Santana-Hernandez	
	Otolaryngology Services in Tanzania	Edwin Liyombo	
	otolaringology bernees in ranzalla	Louin Lyonioo	
	Discussion
